Fulfillment Add-ons

Fulfillment handling cost per RFID item \$25.00 per product + \$0.03/each item

Additional inserts - no scanning required (client supplied) \$25.00 receive & inspect + \$0.11/each

Additional inserts - scanning required (client supplied) \$25.00 receive & inspect + \$0.25/each

Notes

- > Fulfillment & Print Package rates provided include equal quantities for both printing and fulfillment. For additional print quantities that exceed the total fulfillment quantity, rate will be provided in the Fulfillment Calculator and Invoice as provided by Eagle.
- > Client will confirm Statement of Work with Eagle which includes a maximum quantity of printed materials and a minimum quantity of fulfilled orders in addition to the preferred postage method. Organizer will be charged for the quantity of printed materials outlined on the Statement of Work and the actual orders fulfilled.
- > Client agrees to adhere to Fulfillment timeline and project plan; failure to meet timelines may result in late fees or penalties to cover costs that result from such delays.
